

## Reston Runners Candidate Statements, February 2019

### **Marcy Foster, Candidate for President**

I found out about Reston Runners through Anna like most people! At that point I don't think I knew how long a marathon was, but I soon found myself in the thick of training for my first MCM. I love being a part of the RR community and will continue to emphasize the wonderful social activities we sponsor, while reaching out to the Reston area residents to encourage fitness and fun.

### **Mike McCord, Candidate for Vice President**

Hi, I'm Mike McCord, seeking re-election for a second year. I think Reston Runners exemplifies the best of Reston – friendship, healthy living, and good conversation. My priorities are to maintain our quality running and walking programs as we bring younger runners into our club and bring some of our elite runners back. I will also continue working to ensure the activities and donations of the Reston Runners Community Fund reflect the values of our members.

### **Mary Shedlock, Candidate for Treasurer**

I've been a member of Reston Runners for 15 + years who enjoys running for the fun of it. I'm a coach for the Womens Training Program (WTP) for the past 15 years and a co-coordinator of the WTP for the last three years. Additionally, I'm the treasurer of the Reston Runners Community Funds since the inception of the fund. Reston Runners keeps Reston moving and I'm glad to be part of the organization.

### **John Koss, Candidate for Secretary**

As a Reston Runners member since 1987, participating in Club activities has long been part of my lifestyle, and an aspect of our community that I value highly. I have enjoyed supporting the club in the RMR pre-race dinner, Youth in Motion, the 10 Weeks to 10K program, and the Pool Party. I would like to serve for another year as Secretary to assist in conducting our finest events while continuing to improve our program.

### **Mary Goebel, Candidate for Director of Walking Program**

### **Cailin Clinton, Candidate for Member at Large**

Hi everyone, my name is Cailin Clinton. Growing up in Reston, I was thrilled to find Reston Runners when I moved back to the area after grad school in 2017. You've probably seen me out on Saturday and Sundays runs, and I currently help lead the Tuesday and Thursday night runs! I would love to continue to serve and support my hometown running club as a member of the board.

### **Anil Goel, Candidate for Member at Large**

**Catherine Nelson, Candidate for Member at Large**

I have been a Reston resident and an active Reston Runner since 1986. Over the years, I have been involved as an “instructor” for Youth in Motion, Director of the Reston Runners Memorial Day 10k race, and run support coordinator (and Director) for Reston Triathlon. As a long time Restonian and RR, I am looking for ways to continue to integrate running, walking and fitness into the unique and diverse community that is Reston.

**Morgan Parkin, Candidate for Member at Large**

I strongly value the Reston Runners community and would be thrilled to help keep Reston Runners strong as well as to help it grow.

**Pablo Raffo, Candidate for Member at Large**

**Jack Tozier, Candidate for Member at Large**

As a member of Reston Runners since 1990, I want to continue to give back to a community that has provided me with great camaraderie and fitness. I have been an active volunteer, and since 2015 have been responsible for the Website and related online support including registrations and the eNews. In joining the Board, I would look to help the Club continue to be fun and relevant for all our members.
